

General Map of associated products for peripheral Modules (Pmods)

Product name	Digilent's article no.	Arty Z7-10	Arty Z7-20	ZYBO Zynq-7000	Zedboard Zynq-7000	Cmod S6	Cmod A7-15T	Cmod A7-35T	Arty A7-35T	Arty S7	Nexys Video	Genesys2	Basys3	Nexys 3	Nexys 4 DDR	Atlys	Basys2	NetFPGA-SUME	NetFPGA-1G-CML	chipKIT MX3	chipKIT Pro MX4	chipKIT Pro MX7	Cerebot MC7	Orbit BoosterPack	Universal Development Board		
Pmod 8LD	410-163																										
Pmod ACL	410-097																										
Pmod ACL2	410-255																										
Pmod AD1	410-064																										
Pmod AD2	410-217																										
Pmod AD5	410-243																										
Pmod ALS	410-286																										
Pmod AMP2	410-233																										
Pmod AMP3	410-270																										
Pmod BB	410-136																										
Pmod BT2	410-214																										
Pmod BTN	410-077																										
Pmod CDC1	410-247																										
Pmod CLP	410-142																										
Pmod CLS	410-092																										
Pmod CMPS	410-285																										
Pmod CON1	410-065																										
Pmod CON3	410-082																										
Pmod CON4	410-084																										
Pmod DA1	410-063																										
Pmod DA2	410-113																										
Pmod DA3	410-241																										
Pmod DA4	410-245																										
Pmod DHB1	410-259																										
Pmod DIP	410-261																										
Pmod DPOT	410-239																										
Pmod DPG1	410-333																										
Pmod ENC	410-117																										
Pmod GPS	410-237																										
Pmod GYRO	410-215																										
Pmod HB3	410-069																										
Pmod HB5	410-106																										
Pmod HYGRO	410-347																										
Pmod I2S	410-191																										
Pmod ISNS20	410-325																										
Pmod IA	410-246																										
Pmod IOXP	410-219																										
Pmod ISNS20	410-325																										
Pmod JSTK	410-116																										
Pmod JSTK2	410-330																										
Pmod KYPD	410-195																										
Pmod LED	410-076
