TE0723-02

- J1: Pin headers with pins labeled 8 through 13, including GND.
- J2: UART connector with pins labeled TX, RX, and GND.
- J3: Power connector with pins labeled 5V, 3.3V, RST, IOREF, and GND.
- J4: I/O connector with pins labeled A0 through A5.
- J5: GPIO connector with pins labeled 1 through 5.
- J6: USB connector.
- J7: USB OTG connector.
- J8: LED connector with pins labeled M-LED1, F-LED, and GND.
- J9: UART connector with pins labeled TX, RX, and GND.
- J10: SA connector.
